

# SOLOMONS' SECRETS AUDITIONS - CHLOE

1.

**CHLOE**

Thanks so much for meeting me. I can't tell you how good it is to have someone to talk to. It's always so nerve wracking. I mean I know I'm clean, but I still shake like a junkie. From the fear, not the drugs.

MARK

Fear?

**CHLOE**

I know it's irrational, but just being tested like that makes me fearful that it won't work out.

MARK

They can't do that. You're right it's irrational. And I'm glad I'm here. It's the least I can do. You've helped me so much.

**CHLOE**

Who would have thought it. We're both helping each other out with our baby dramas.

2.

**CHLOE**

Your sister just fired me. Josh drops his remote and looks up at her.

JOSH

What reason did she give you?

**CHLOE**

Something about cutting costs and the practice being quiet. Which I know is bullshit. I think it's because she doesn't think I am good enough for you.

JOSH  
Are you?

**CHLOE**  
Am I what?

JOSH  
Are you good enough for me?

**CHLOE**  
What does that mean?

JOSH  
You tell me.

**CHLOE**  
What are you talking about?

JOSH  
Cut the crap Chloe. Roz told me all about your secret drug habit.  
(Chloe is stunned and silent.)  
She followed you. What are you on?

**CHLOE**  
I'm not on anything.

JOSH  
So are you sleeping with Mark then?

**CHLOE**  
Of course not. Why would you even think that?

JOSH  
Roz saw you together.

**CHLOE**  
Your sister is insane.

JOSH  
But you're not denying anything. Please just tell me the truth.  
(Roz and Mark arrive at the door to Josh's apartment and stand there listening.)

**CHLOE**

The truth? OK. The truth is that Mark has a ten year old daughter he has been keeping a secret from all of you.
