

SOLOMONS' SECRETS AUDITIONS - YONI

YONI

I was recently meditating ... on the bow of our family yacht ... off the coast of Mykonos. I went deep Jennifer. Deeper than ever before. I had a vision of a baby with wings. When I regained full consciousness I saw my reflection and my hair had formed the most perfect beachy waves. It felt like a message from the universe.

Yoni switches into a more business like voice.)

At the time I thought that message was for me. I thought it was a sign that I needed to enter the US market with my Ripe Yoni products. Did you know we are stocked in Neiman Marcus. We've shifted so many units since our launch a month ago but I digress...
